2nd April 2014

Dear Year 6 Parents/Carers

YEAR 6 SATS

This year's SATs will take place from **Monday, 12th to Friday, 16th May.**

This is a very important week in your child's school year. I would ask that you do not request any absence leading up to or during this week and do not make any unavoidable appointments for your child, e.g. dentist, during school time.

I hope you will help to ensure that your child is present at school every day that week.

Thank you for your co-operation.

Robert Staples
