Extreme Weather

Year 5
Summer 1 2014

Over the next few weeks, your child will be working on the topic of Extreme Weather

They will be taking part in a series of exciting activities:

Discovering all about nature's most extreme weather phenomenon's.

Building their own weather stations.

Finding out how humans live in some of the world's most extreme climates.

Whipping up windy weather stories.

Reporting on and predicting the weather on our Fairlands weather television programme.

Finding out why clouds are formed and why they can look so different.

Creating weather puzzles and word searches

**Your child needs your help and involvement!
Please get involved by:**

- ☐ Take your child to the library & get books and resources about the topic
- ☐ Help them to keep a weather diary throughout this half term
- ☐ Discuss any weather related news stories with them. i.e. Hurricanes , droughts tornados etc.

Before the Topic...

After the Topic...

Sit down with your child and help them record what they know about the topics, BEFORE and then AFTER they have learnt about it at school.

What else is happening?

Religious Education

This half term will be learning about the following in our R.E mini topic:
Leaders in religious communities and the importance of religion today.

Values Education

Each Month we focus on a particular Value. April we will be looking at the value of Honesty, and the theme for May is Resilience.

Homework

Please support your child by making sure that they read on a *daily* basis.
Homework is set on a Friday and due in the following Thursday.
