24th October 2014

Dear Parents/Carers

I am writing to inform you of some changes to the organisation of children and classes in Year 6, now that we are approaching SATs in May and with the return of Mrs Herron from maternity later in the autumn.

After half term, Year 6 children will no longer be based in three classes, but will start the day being registered in two. Your child will have been given a copy of this letter today, informing you of their registration teacher and class.

Children will then move into different targeted groups at different points in the day, each led by a teacher, in order to effectively target teaching towards their level of need.

This is our normal practise in the run up to SATs, however, this year we have the luxury of having four teachers to split the children between!

Yours sincerely

Robert Staples
