Dear Parents/Carers

### Re: Proposed School Trip

Year 5 are hoping to organise a visit to The Sea Life Aquarium in London. The cost for this trip will roughly be £14.00. We are aware that there are a number of expenses for this year group, including swimming and PGL, however we believe that this trip would be highly beneficial for the children whilst learning about H2O.

We can only organise trips such as this if we have the full support of **all** parents who are willing to cover the cost. I would therefore be obliged if you could complete and return the slip below, to gauge the number interested in this trip. Please return the slip by the end of the week. If we do not receive sufficient support, the trip sadly will not go ahead.

Miss R Dhillon and Miss S Pollen  
Year 5 Teachers

### The Sea Life Aquarium

Child's Name.....Class.....

- ☐ I am happy to support the full cost of the proposed trip to The Sea Life Aquarium  
☐ The cost of the trip is too expensive

Signed.....Parent/Carer
