

FAIRLANDS PRIMARY SCHOOL & NURSERY

**Pound Avenue
Stevenage
Hertfordshire
SG1 3JA**

16th January 2015

Dear Parent / Carer,

In response to the questionnaire given out during the last set of parent consultations we ran some phonics workshops in the Autumn term. We are running this workshop once more for those parents / carers who could not attend in the Autumn term.

This workshop will give information on how we teach phonics at school, give ideas for activities that you could do to support your child at home and will also have a demonstration phonics lesson for you to watch.

Please send in the slip below if you would like to attend the workshop.

We look forward to seeing lots of you at this session.

Hayley Yendell
(Assistant Headteacher)
