Dear Parent / Carer,

In response to some questions that have been raised regarding current Year One provision at Fairlands and the changes that have been implemented we will be running a 'What Goes on in Year One' information evening for parents. The short presentation and Q&A session will inform parents about transition from EYFS to Year One and onto Year Two, the New National Curriculum for 2014, what happens in the school day and other day to day things.

The information evening will be held on Thursday 5th February 2015 from 5pm in the lower building hall. Please send in the slip below if you would like to attend. If you have a particular question about Year One provision please write this onto the slip and it can be included in the presentation although it will not be possible to discuss individual children. In that instance please see your child's class teacher. Children will not be permitted but a crèche will be provided.

We look forward to seeing lots of you at this session.
