Dear Parent/Carer

Re: ChildLine Schools Service

I am writing to tell you about the ChildLine Schools Service – a programme delivered by ChildLine staff and volunteers for every child in Years 5 and 6 in England & Wales.

They will be holding an assembly in our school and then a class-based workshop one week later about keeping safe.

The ChildLine Schools Service aims to give children:

- * An understanding of abuse in all its forms, including bullying, and an ability to recognise the signs of abuse
- * Knowledge of how to protect themselves from all forms of abuse
- * An awareness of how to get help and sources of help, including ChildLine.

The ChildLine Schools Service has discussed with us the content of the assembly and workshop.

We are confident that they are appropriate for primary school aged children. All presentations will be delivered in a child-friendly and sensitive style.

After taking part in the programme, children will be asked to give their feedback online with school staff present.

The ChildLine Schools Service would also very much welcome your feedback. If you would like to share your thoughts, please go to www.nspcc.org.uk/parentsfeedback when your child has completed the programme.

If I do not hear from you I will assume you are happy for your child(ren) to participate.

Miss M Bridge

Year 5/6 Assistant Head
