**Please help your child to complete the glossary and be able to use and spell the words. Feel free to add any additional topic related vocabulary that you think of.**

**Over the next half term, your child will be continuing to work on the topic of GEORGE'S MARVELLOUS MEDICINE – there is lots to learn!**

**They will be taking part in a series of exciting activities:**

- Investigating materials and their properties inc. identifying different states and changing states
- Mixing and separating materials
- Drawing in the style of Quentin Blake
- Creating a collage
- Reading 'George's Marvellous Medicine' by Roald Dahl as a class text.

**Your child needs your help and involvement!  
Please continue to get involved by:**

- ☐ Take your child to the library and get a book about the topic
- ☐ Talk about times when you and your family have needed medicine
- ☐ Be scientists – mix different ingredients from your kitchen and make something weird!
- ☐ Be cooks – make some cakes (or dinner!) together and talk about what is happening as you mix, heat and cool.
