# What else is happening?

## Religious Education

Most of our teaching of religious education takes place in separate 'mini-topics'.

This half-term, your child will be learning about ''.

## SEAL Time

Each half-term, we focus on a particular aspect of Social & Emotional Aspects of Learning (S.E.A.L).

This half-term, we will be looking at the theme of 'Relationships'.

## Homework

Please support your child by making sure that they listen to stories on a daily basis. Take every opportunity you can to count with your child (the number of cars you pass, the number of stairs they have to go up, how many plants they pass on the way to school)

Support your child with self-help skills such as putting on their own coat and zipping it up. They need to be as independent as possible within the setting.

We will send home a sheet each week with ideas of how to support your child's learning. Please join the school's games library where you can take out fun games to help your child develop new skills. The toy library is available to all nursery children.
