**Summer Term 2 2010**

# **Over the next few weeks, your child will be working on the topic of Places to Play**

- **Visiting local playgrounds and thinking about how to use them safely and what could be done to improve them**
- **Designing their own playground and making a model of the playground**
- **Visiting Legoland and taking part in a lego construction workshop**
- **Comparing places they play in today with those of the past**
- **Taking part in role play activities such as all the fun of the fair**

**Your child needs your help and involvement!  
Please get involved by:**

- ☐ **Visiting different play areas in Stevenage**
- ☐ **Drawing or painting different playgrounds and labelling the equipment**
- ☐ **Looking at a map of Stevenage and finding the different play areas on the map.**
- ☐ **They could also look on the map to see the route to the playground and talk about how they got there.**
- ☐ **Ask older relatives about where they went to play when they were children and what it was like. How have things changes?**

**What does your child know about**
