What do you dislike? - I am not very good in the sun and don't like Brussel sprouts!

What are you looking forward to doing in the summer holidays?- Hopefully, if things improve, I would like to go camping with my family.

Why I love teaching.

The main reason is I enjoy helping people, and especially children. I want to help them be the best they can be.

I love seeing EVERYONE make progress, achieve new things and demonstrating pride in themselves.

I love hearing your ideas and what brilliant things that you can come up with.

I love supporting pupils to be the best they can be with regards to their school work, skills, their friendships and their aspirations.

We are very, very, very lucky that we have Mrs Clarry working with us in Lime Class!

I have worked with her before and she is amazing!

We also have the fantastic Miss Mead doing PPA cover in our class!

LIME CLASS

Have a great summer, Lime Class.

I am looking forward to seeing you all in September.

*We are going to have a FANTASTIC year, learning
and having fun TOGETHER.*
