

Year 5 POPLAR

Welcome to Year 5. I am your new class teacher. For those of you who do not know me, I am Miss Ferguson. I was excited to hear you are all in my class.

Miss Valenzuela – Our Teaching Assistant

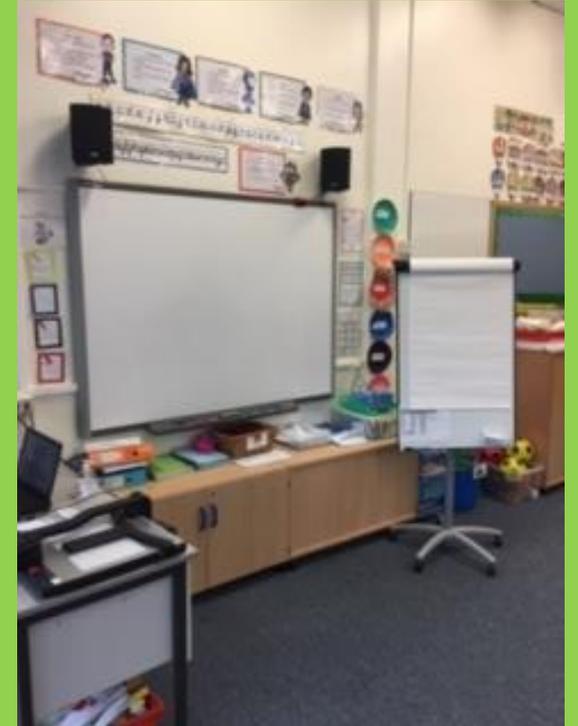

Miss Valenzuela will be working with us in Poplar class. I am sure you have seen her around the school and some of you may even have worked with her previously.

She will support us with our learning and help some of you develop your knowledge and skills.

Our New Classroom

In September our room will look very different from this. I will be seeing if you will be able to spot the differences when you return!

What the old Walnut's said about being in my class!

A very nice teacher who challenges you with your work.

Good teaching, good assistance, good work and it's really fun.

It was fun but Miss Ferguson is an English master so she likes your writing to be correct - don't worry POPLAR class, she will help you.

The lessons can be entertaining but also quite beneficial.

She is a good teacher but also quite strict.

We do cool things like science experiments.

She doesn't accept anything under your very best!

She has taught us lots of new things.

My Hobbies & Interests

I absolutely love animals and I have a few pets. Archie is a cob-cross horse. His is known as a 'skewbald' because his colouring is black, brown and white. My tortoise shell cat is called Philomena but I call her Mimi for short. The newest addition to my pet family is Bella beagle, she is very mischievous and steals things, especially SOCKS!

My Fur Babies

I like to keep busy when I am not being a teacher. Every day I try to walk at least 10,000 steps and walking Bella helps me to do this. Horse riding is another thing I enjoy and I have taken Archie to lots of different places to ride. My little car gets me all over the place, I love to drive and explore and I have been driving ever since I was 17 years old so a very, very long time indeed!
