CREATION

Year 3
Autumn Term 2012

Over the next half term, your child will be working on the topic of Creation.

They will be taking part in a series of exciting activities:

Reading and discussing creation stories from different world religions and countries.

Learning some key information about the country the creation story is from.

Completing Art work based on the Aborigine creation story.

Investigating Creation in Science through plant growth and life cycles.

Creating a fair experiment to test what plants need to grow.

Learning about different animal food chains.

Your child needs your help and involvement! Please get involved by:

- Taking your child to the library & get books and resources about the topic
- Orally retelling any Creation stories you know from different cultures.
- Allowing the children to grow and look after any indoor plants.
- Make up your own creation story with the children.

What does your child know about Creation?

Before the Topic...

After the Topic...

Sit down with your child and help them record what they know about the topics, BEFORE and then AFTER they have learnt about it at school.

What else is happening?

Religious Education

This half term we will be learning about Creation and Christmas.

SEAL Time

Each half-term, we focus on a particular aspect of Social & Emotional Aspects of Learning (S.E.A.L). This half-term, we will be looking at the theme of 'Going for Goals'
