All about me!

Nursery Spring Term 2013

Over the next few weeks, your child will be working on the topic of All About Me!

They will be taking part in a series of exciting activities, including:

- **Getting to know all the new children within their class**
- **Learning about parts of their bodies**
- **Drawing around their bodies to create pictures**
- **Measuring each other**
- **Getting to know all about their family**
- **Creating some funny self portraits**
- **Finding out about where they live using an app on the Ipad**

**Your child needs your help and involvement!
Please get involved by:**

- ☐ **Discuss with your child the importance of looking after new children who will be joining the class**
- ☐ **Taking your child to the library & get a book about parts of the body**
- ☐ **Talk to your child about their family and even take pictures for them to share in class**
- ☐ **Help your child to name and identify different parts of their body**

What does your child know about themselves?

Before the Topic...

After the Topic...

Sit down with your child and help them record what they know about the topics, BEFORE and then AFTER they have learnt about it at school.

What else is happening?

SEAL Time

Each term, we focus on a particular aspect of Social & Emotional Aspects of Learning (S.E.A.L).

This term, we will be looking at the theme of 'Getting on and falling out'.

R.E

We shall continue to find out about other religions and cultures through celebrations and festivals. This half-term we shall be celebrating 'Chinese New Year.' This is on February 10th. We shall be finding out about it during the week beginning the 11th.

How to support your child's learning

Please support your child by making sure that they take part in a reading activity daily. Why not choose from one of the following activities each day: sharing a book before bed, playing i-spy, playing a game from the games library, reading their library book.
