Dear Parent / Carer,

Writing Workshops - 30th & 31st March

In response to the feedback after the phonics workshops we will be running writing workshops. The purpose of these workshops is to:

Explain how we teach writing at school

Look at the developmental process from mark-making to writing

Explore the value of scribing for your child

There will be a brief overview of the process of writing before inviting you and your child to make a book together. Please book onto one of the workshops below. Number the workshops in order of preference from 1-3. We will endeavour to give you your first choice if possible.
