Rainforests

Year 4
Summer Term 1 2015

Over the next few weeks, your child will be working on the topic of RAINFORESTS!

They will be taking part in a series of exciting activities, including:

- Using a key to sort a variety of animals by a range of criteria
- Writing reports about fascinating rainforest animals
- Investigating plant growth and animal habitats
- Finding out why rainforests are so important
- Trying to understand why the rainforests are disappearing and what we can all do to help

**Your child needs your help and involvement!
Please get involved by:**

- ☐ Take your child to the library & get a book about the topic
- ☐ Help them choose a rainforest animal and research it on the internet, by watching television programmes etc.
- ☐ Find out what they know about global warming and deforestation

What does your child know about RAINFORESTS?

Before the Topic...

After the Topic...

Sit down with your child and help them record what they know about the topics, BEFORE and then AFTER they have learnt about it at school.

What else is happening?

Religious Education

Most of our teaching of religious education takes place in separate 'mini-topics'.

This half-term, your child will be learning about religious leaders.

Values Education

The Value for April is Peace.

The Value for May is Quality.

Homework

Please support your child by making sure that they read and practise times tables on a daily basis.

MONDAY	
TUESDAY	
WEDNESDAY	
THURSDAY	Homework to be handed in
FRIDAY	Homework set
