Dear Year 6 Parents

Monday 11th – Thursday 14th May - SATS TESTS

As you know, next week is a very important week for your children. It is vital that they attend school every day, arriving in time for registration (8.50am) in order for them to start their tests on time (timetable overleaf).

If your child is genuinely too ill to be in school on any day next week, we would ask you to encourage them to attend for the duration of the tests and would then be happy for you to collect them again afterwards.

How to help your child

- Ensure that they have a good nights sleep
- Ensure that they have a nutritional evening meal and breakfast
- Ensure that you make time to discuss the tests with them
- Give your child the opportunity to talk about any fears or concerns
- Ensure that they are in school, on time, each day
- Encourage your child to look at their grammar and maths revisions sheets

If you have any questions or concerns, please come and see one of the Year 6 teachers or myself.

Yours sincerely

Robert Staples
HEADTEACHER
