

## SCHOOL NEWSLETTER

Dear pupil, parent and carer,

We're now half way through the Beat the Street competition!

You've walked an incredible 238,000 miles which is the distance to the moon! That is amazing and means the target of 500,000 miles is well within reach!

This week, Martins Wood Primary School is again in the lead for the most miles walked - an astounding 13,283 miles. Coming second is Fairlands Primary School and Nursery then Shephalbury Park Primary School. Needless to say the boxes outside those schools are the highest tapped boxes in Stevenage!

We had a lovely email from someone called Emily who is enjoying playing Beat the Street in Stevenage. She said that she likes to play a kind of "bingo" when she's out tapping Beat Boxes. She says that she often hears the same phrases from fellow Beat the Street-ers like "One more Beat Box and we're going home", and "We've been out for hours!" as well as "use your brakes, not your shoes!" She gives herself points every time she hears these sentences!

What phrases do you hear when you're out walking, running, cycling and scooting?

We also know that many schools, such as Martins Wood and Shephalbury Park are running walks at lunchtime and after school past all their local boxes. If your school isn't doing this, why not ask if you can start a walk?

If you're out this weekend don't forget to pop along to Fairlands Valley Fun Day on Sunday and tap box 336 in the park for double points and chance to win a game of bowling with Hollywood Bowl.

Check out the leaderboard at [www.herts.beatthestreet.me](http://www.herts.beatthestreet.me) for the latest positions and for more information about the competition. Don't forget to like us on [www.facebook.com/pages/Beat-The-Street-Herts/834439346623550](https://www.facebook.com/pages/Beat-The-Street-Herts/834439346623550) or follow us on Twitter @btsherts and show us pictures of you passing your favourite boxes or at the Fairlands Valley Fun Day.

Happy walking!

Beat the Street
