Dear Parents and Carers

We have been thinking about the Value of Happiness throughout June and it has been lovely to hear about the children spreading smiles around the school and writing thank you letters!

We have based our work on a fantastic website called 'Action for Happiness' – why not take a look at the 10 steps to happiness we have been talking about and try them out at home? ☺ ☺ ☺ ☺

SPORTS DAY

Thank you to Mr Brewis for organising last Friday's successful Sport Day, and to all the parents/carers who came along to support the children and join us for our family picnic. We would welcome your feedback about how the day was run.

Thank you also to the Fairlands Faces, who worked hard all day selling refreshments and raised £152.74 for school funds.

Did you lose your picnic blanket? We've had one handed into the upper office after sports day – please contact us if you think it might be yours.

BEAT THE STREET

Very well done to Mr Staples, Mr Brewis and Mrs Yendell who spent 7 hours cycling a complicated 50 miles to touch in at 104 Beat the Street boxes on Sunday. Now it's your turn if you pledged to complete extra miles! Let us know how you get on.

NURSERY TRIP TO STANDALONE FARM

The children had a fantastic day at the farm, they had the opportunity to ride a tractor, feed the lambs and they all got to see a cow being milked! The children were all so well behaved and were a credit to the school.

A special thanks to all our helpers who without our trip would not have been possible! Look out for some farm pictures on our class blog.

PARENT FORUM

Please be aware that we have **cancelled** next week's Parent Forum. We will start afresh in the new academic year and let you know dates in September. If, in the meantime, there was something you would have liked to have discussed at next week's meeting, please do come to the office or email in to let us know and we will ask one of the Deputy Heads to contact you.

HOT WEATHER PRECAUTIONS

Just a reminder to ensure you send your child to school with a sun hat, apply a good layer of sun cream and, where necessary, give hayfever medicine before school. If your child suffers from asthma, please ensure they have their inhaler (with their name on) in school at all times.

'NEW TO' PARENTS' MEETINGS

Just a reminder that parents/carers are invited to come along with your child to the 'New to' meetings **w/c 13th July**, where you will be given information about your child's education, procedures and expectations for the coming year and meet the year group team.

This year's Summer Reading Challenge is 'Record Breakers' – which brings together fact and fiction and challenges children to explore real-life achievements and world records.

Hertfordshire libraries are challenging children to read six books over the summer and tell them about what they've been reading. If they complete the challenge they receive a medal and certificate and entry into a prize draw to win a range of prizes, including a ticket to an exclusive author event.

The challenge will be taking place in all Hertfordshire public libraries, including mobile libraries, from 11th July to 5th September.
