

DOUBLE POINTS ARE A WALK IN THE PARK THANKS TO BEAT THE STREET

Are you enjoying this beautiful weather? It looks like you're taking advantage and getting out and about as you've reached an incredible 285,000 miles this week!

Martins Wood Primary School currently tops the leaderboards for overall points while Fairlands Primary and Shephalbury Park Primary Schools follow second and third. Shephalbury top the average leaderboard. Well done everyone who is taking part – don't give up!

You've got until the 15th July to persuade new members to join your team which could help you win and don't forget that local charities will benefit if the target of 500,000 miles is reached!

We are loving the sunshine here at Beat the Street and to encourage people to make the most of the weather, we're offering double points on Beat Boxes in the parks!

You'll get double points on every tap between 7am on Friday, 3 July to 7pm on Monday, 6 July on these Beat Boxes in Stevenage:

Beat Box number 322 (Monks Wood off Valley Way) and Beat Box number 344 (St Nicholas Park off Pilgrim's Way.)

Also, there is a Town Centre Gardens event this weekend – tap 338 (Plash Drive) for double points on Sunday. There is also £30 meal voucher up for grabs for the Chequers on top of double points!

Don't forget you need to tap another box before you tap the bonus points box in order to get your double points and remember to take water and sun tan lotion! Have a good weekend!
