Dear Parents/Carers

Re: Swimming

Due to time constraints and the length of time it has taken some children to get changed after swimming, the use of hairdryers has not been permitted up until now.

With the sudden drop in temperature, children who are ready in time will be allowed to use the hairdryers at the pool from now on. Children will need to bring 20p with them to do so (20p coin not 2 X 10p).

We also suggest long hair is tied up and swimming hats are worn.

Please note: if your child reports that they have not been allowed to use the hairdryers, it will be because they took too long getting dry and dressed!
