Dear Parents/Carers,

In addition to the Summer Reading Challenge in partnership with Stevenage Library, we are also inviting children to take part in the Bug Club Summer Reading Challenge.

Teachers will allocate children 10 books to read over the summer holidays, and the children who have read the most books in each year group will be presented with a certificate and prize in a celebration assembly in September.

Below is a reminder of how to access Bug Club at home, along with your child's login details.
