Dear Parents/Carers

### **Bring a Book to Love Your Library**

On Wednesday morning your child attended a school assembly which introduced our whole school focus '***Bring a Book to Love Your Library.***'

We have asked children to bring any good quality used reading books which they are finished with to donate to their class libraries. Each book which is donated will have a celebration sticker inside which identifies the child who donated the book. This not only encourages their friends to read their old books but also develops a sense of pride that they have helped to improve their class libraries.

In addition to this we are raising funds to purchase **new** books which the children will also enjoy. Our first fund raising event is on Friday 30<sup>th</sup> September where children can come to school in non-school uniform for the donation of £1 - please send the money into school so it can be given straight to their class teacher.

Yours sincerely,

Miss Kim Ferguson
