Dear Parents/Carers

## eSafety Competition

During assembly today the children have been told about a special eSafety competition that we would like them to take part in. The children have been asked to create a special '**Fairlands eSafety Character**' that can be displayed alongside our eSafety posters in each classroom.

The character should resemble part of our eSafety message which is in the slogan below and also look approachable to children of all ages. Some suggestions to spark the children's creativity are shown underneath.

A winner from each year group will be chosen and these children will then form the new eSafety group for 2016/2017. An overall winner will then be chosen and their character will become the '**Fairlands eSafety Character**'.

Please ask your child to bring their competition entry to their class teacher by Tuesday 1<sup>st</sup> November. The winners will then be announced in assembly the following week.

Yours sincerely

Miss Flanagan  
Senior Teacher KS1
