Incredible Egyptians!

Year 3
Spring Term 2 2017

**Over the next few weeks, your child will continue to be working on the topic
of
'Incredible Egyptians'.**

They will be taking part in a series of exciting activities:

- **Learning about how we can find out about life in the past from what remains today**
- **Learning about Mummies and Pyramids and making our own**
- **Learning about the Egyptian Gods and their roles**
- **Learning about rocks and soils (linked to science)**
- **What did the Egyptians eat compared to how we keep our bodies healthy**

**Your child needs your help and involvement!
Please get involved by:**

- **Taking your child to the library & get books and resources about the topic**
- **Helping your child to use the internet to find out about life in Ancient Egypt**
- **Make your own 'mummy'**
- **Making your own 'fascinating facts' book to collect information in**
- **Making hieroglyphic name plaques or badges**
- **Research the different food groups – make a food diary**
- **Investigate different types of rocks which can be found**

What does your child know about Ancient Egyptian Pharaohs?

Before the Topic...

After the Topic...

Sit down with your child and help them record what they know about the topics, BEFORE and then AFTER they have learnt about it at school.

What else is happening?

Religious Education

Most of our teaching of religious education takes place in separate 'mini-topics'. This half-term, your child will be learning about 'The events in the life of Jesus.' Jesus' Life and actions, Stories of Jesus and Lent and Easter.

Values Education

Each month we will focus on a new value which we will develop and encourage in all areas of school life. Please support your child and encourage them to show their values at home. Please let us know if they do! Our values for March and February will be understanding and peace.

Homework

Please support your child by making sure that they read on a daily basis and be sure to update their reading record for them.
