1st March 2017

Dear Parents/Carers,

PURPLE DAY!

As you may be aware, our conversion to academy status has been slightly delayed whilst a few legal matters were being resolved. We are now due to convert on the 1st April 2017.

To celebrate the imminent creation of the Claxton Trust, we will be holding an event on Thursday 9th March 2017, in advance of our conversion.

Children are invited to come to school dressed in purple or in their school uniform with a purple accessory, for example, a purple headband or purple socks.

During the day there will be a drumming workshop for KS1 & KS2 run by a former drummer of Status Quo - Geoff Rich.

Other activities will be planned for the day within each phase.

I am sure the day will be a fun and exciting way to celebrate our impending academy conversion.

Robert Staples
Headteacher
