Body Works

**Year 6
Spring 1 2018**

Over the next few weeks, your child will be working on the topic of Body Works

They will be taking part in a series of exciting activities:

- **Make their own digestive system**
- **Investigating the effects of exercise on the aerobic system**
- **Looking at the impact of diet on a healthy body**
- **Cooking healthy meals**
- **Studying and recreating the human form through art**

**Your child needs your help and involvement!
Please get involved by:**

- ☐ **Take your child to the library & get books and resources about the topic**
- ☐ **Measure the height of your child in centimetres so we can see how much they grow throughout the topic.**
- ☐ **Find photos of your child at ages under 1 year, 2 years, 5 years and current to bring into school. Provide any information about the height of your child from when they were born.**
- ☐ **Keep an exercise and food diary throughout the holidays.**

What does your child know about Body Works?

Before the Topic...

After the Topic...

Sit down with your child and help them record what they know about the topics, BEFORE and then AFTER they have learnt about it at school.

What else is happening?

Values Education

Each month, we focus on a particular value. The value for January will be HOPE and the value for February will be LOVE.

Homework

Please support your child by making sure that they read on a *daily* basis.

	Homework	Due in
THURSDAY		Homework due in
FRIDAY	Homework will be given out
