Attendance

Children of school-age who are registered at a school must, by law, attend school regularly.

Regular attendance is important, not just because the law requires it, but because it is the best way of ensuring that a child makes the most of the educational opportunities which are available to him or her.

There may be rare occasions when a child has to miss school – for example, if he or she is very unwell. Any other absences should be kept to an absolute minimum. **In particular, parents should never take their child out of school during term-time in order to go on holiday.**

If your child is absent from school, we expect you to inform us of the reason. Please contact the office by phone, text or email by 10.00am on the first day of absence.

If your child has an unavoidable appointment during the school day, please ensure you inform the school office beforehand. If the appointment means that your child will be late and your child requires a small meal, please ensure you book this in advance.

Each parent with PR is individually responsible for their child's attendance.

For further information on attendance, please refer to our Attendance Policy on the school website.

Parent View

A key part of a school's Ofsted inspection are the views expressed by parents. Ofsted no longer sends out paper surveys and relies purely on views expressed through their Parent View Website.

It is, therefore, really important we make sure that ALL parents/carers' views are represented on this website, including the 'silent majority' who are happy, but tend not to speak up!

So, **PLEASE** could you take some time to visit www.parentview.ofsted.gov.uk and response to the questions on the Parent View Website.

You just have to register quickly using an email address, and then there are 12 questions to answer. It takes 5 minutes!

Please make sure that YOUR views are represented - you can go back at any time to update your responses, if your views change.
