

FAIRLANDS PRIMARY SCHOOL

Pound Avenue
Stevenage
Hertfordshire
SG1 3JA

12th February 2020

Dear Parents/ Carers

'S-Factor' Science Day

Please find the attached homework flier giving information about our Science Day.

In summary:

- Fairlands Science Day will be on Friday 28th February
- All children are invited to come to school dressed as a scientist for the day
- This could be as a fictional science character; a famous scientist from the past or present day; a person working in a science based profession
- We would like you to have practised an experiment with your child at home for their homework
- Your child should then bring in what they need to perform their experiment in front of their class mates in school
- Each class will vote on their favourite experiment
- The winning class experiments will be performed in an assembly
- A winning experiment from each year group will be chosen
- These children will go and receive a prize from Nobel School in a presentation ceremony at a later date.

Kind regards

The Science Team

Headteacher Mr Robert Staples BA (Hons)
