Dear Parents/ Carers,

Year 4 Multiplication Tables Check Parent Information Meeting

This June sees the implementation of the statutory multiplications check (MTC). The purpose of the check is to determine whether pupils can fluently recall their times tables up to 12 x 12, which is essential for future success in mathematics.

Alongside this letter, you will receive an information booklet provided by the government to give you the facts you need about the MTC.

If you have any questions or would like to know more ways in which you can support your child, then the school is holding an information meeting for parents on Tuesday 17th March at 3.30pm and 5.30pm in Lime class. Unfortunately, we are unable to offer crèche facilities.

Please indicate on the slip below which meeting you would like to attend and return it to the school office.

Yours sincerely

Mr Tweedell

Maths Subject Leader
