

HAZEL CLASS

Hello everyone and welcome to Hazel class. I have been really lucky already and met some of you in school during this term but I am super excited to see all of you back at school in September so we can begin our learning journey together!

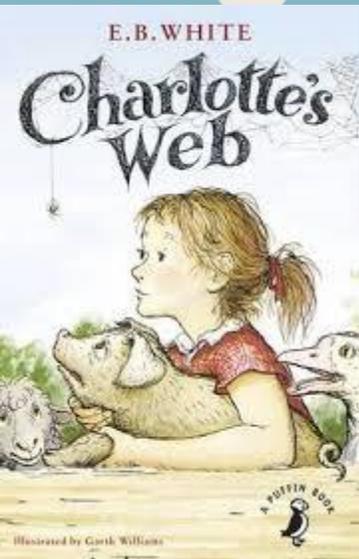

I am Mrs Kirby your class
teacher.

We are also very lucky to
have two Teaching
Assistants in our class . Mrs
Oakley and Miss Smith.

All about me

What is my favourite book?

I really enjoy reading and learning new vocabulary. My favourite children's book is Charlotte's Web written by Elwyn Brooks White. I love the way he brings the animals to life throughout the story. What's your favourite book?

What is my favourite animal?

I love animals so it would be easier to tell you the animals that are not my favourite. Snakes and lizards scare me a little so I won't be choosing either those as a pet.

What do I do in my spare time?

I enjoy being outside, trying different activities, walking and exploring with my new puppy who is called Hank.

What is my favourite subject to teach?

I love teaching all subjects but I really like art and science. We will be doing lots of fantastic science investigations in Hazel class.

This is Shelly, our class pet.
She is a Giant African land
snail. What can you find out
about this species of snail?

This is our new classroom. It is in a new building that we will share with year 2. It is looking very bare and boring at the moment but by September it will have undergone an incredible transformation and will be ready for you all to begin your exciting year 3 journey! We have a large play ground, a pond and some green space with tyres, toys and games to play with at break times.

Enjoy your summer break. I
can't wait to see you all in
September when the fun
begins.
