great year with you all  
from September!

# About Miss Pollen

## When I'm Not At School I Like To:

- Spend lots of time with my girls <3
- Sleep (not that I get to do this often)
- Spend time outside in nature
- Go to the gym
- Go out to eat yummy food with my family
- Listen to music and dance and sing

## My Family

I have two daughters called Lilah (who will be 3 in August) and India (who is 1 ½ ).

## Why I Love Being a Teacher

I love teaching because I love spending time with the children at school who never fail to make me laugh and smile every day – each and every child I have taught has been wonderfully special and unique. I love to help the children in my class to grow in confidence and support them in learning new things.

# About Miss Tyrrell

When I'm not at school, I love to...

- Spend time with my family and friends
- Get out and about for walks
- Read – if I ever get a moment to myself!
- Travel to new places
- Go to a yoga class

I'm Miss Tyrrell and I will be teaching Poplar Class on a Monday, Tuesday and Wednesday. I have recently come back to work from maternity leave after having my daughter, who has just turned one!

I love being a teacher because there is never a dull moment when you spend all day with a bunch of children. I love seeing the children grasp new concepts and I am always amazed by how much they have grown (both in height and with their learning) by the end of the year!
