

## Fairlands Primary School & HAFLS Are running a FREE course called

# Muddle Free Maths

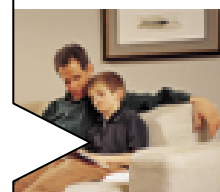

- Want to improve your Maths skills but haven't had the time until now?
- Do you understand your child's methods for doing addition and subtraction?

- Are you panicked by partitioning?
- Despair of division?
- Muddled by multiplication?

It is fun and good for your self esteem.

I now feel confident to help my child with their homework.
