Dear Parents/Carers

Re: Outside Area

You may recall that during money week, pupils and parents voted for their favourite initiative which would benefit the school. The winning idea was a nature area, decking and maze. I am now looking for anybody with an interest in the schools outside area to offer me support with implementing this project. If you would like to get involved, could you please complete and return the slip below by Friday 24th September. I would then like to form a working party to meet and put the plans into action. I look forward to hearing from you.
