4 November 2010

Dear Parents and Carers,

This year we have decided to participate in a personalised Christmas card creation scheme through the website www.myschoolprinting.co.uk. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child has created his/her own design for a Christmas card that has been professionally printed and is enclosed for you to see. You can order the cards in packs of 12 by filling in the order form and returning it to your class teacher or to the school office by **Wednesday 10th November**. Please make all cheques payable to Friends of Fairlands.

The first pack of 12 for each child will cost £5 and any packs after that will cost you £4.

Not only is it very exciting for your child to see his/her work as a finished printed product, the cards themselves are great for sending a more personal greeting to friends and family at Christmas!

Your card has a unique code on the back, which allows you to log in and see your child's artwork (please rest assured no names are printed on the website). The artwork can be printed on a number of high quality products such as wrapping paper, mugs, jigsaws, teddy bears and much more. You can then place orders for these items directly through the website. Anyone without Internet access is more than welcome to come into school to place an order.

If you have any questions please feel free to contact a member of FOFS either in the playground, via the school office or by sending an email to admin@fairlands.herts.sch.uk.

All orders should be with us on Thursday 25th November and we will send them home to you in the book bags the next day, if we receive them any earlier we will send them out to you straight away!

Yours sincerely

Sue Hurren
Chairperson

Remember: order forms and payment must be returned by Wednesday 10th November!
