Dear Parents/Carers

Re: E Safety Week Questionnaires KS1

Last week as part of e-safety week all children in school on Monday 7th February completed a questionnaire about e-safety. I would like to share the results of this with you:

1. You receive an e-mail from someone you don't know. Should you:

Accept:	18%	Delete:	72%
---------	-----	---------	-----

2. Should we talk to someone we don't know on the computer?

Yes:	18%	No:	72%
------	-----	-----	-----

3. Is it okay to give out personal information such as our name, address and telephone number online?

Yes:	29%	No:	61%
------	-----	-----	-----

4. If someone is unkind to us online or makes us feel uncomfortable should we tell an adult?

Yes:	92%	No:	8%
------	-----	-----	----

5. Should we ever meet someone we met online even if they are our friend?

Yes:	35%	No:	65%
------	-----	-----	-----

Although these results show that generally the e-safety message is getting through I feel it still highlights the necessity of further work to be completed to ensure children are safe while online. Please see the letter also going out today about how to keep your child safe online.

Miss E Thompson
ICT Subject Leader
