

FAIRLANDS PRIMARY SCHOOL & NURSERY

Pound Avenue
Stevenage
Hertfordshire
SG1 3JA

22nd March 2011

Dear Parents / Carers

Some parents have expressed an interest in learning how to best support their children in maths.

In order to be able to provide some useful maths evenings and events for parents in the summer term, please could I ask you complete the questionnaire overleaf and return it to school by **Friday, 1st April**.

I will ensure that the information provided is used when planning these maths events, so that we meet the needs of as many of you as possible.

Thank you for your support.

Yours sincerely

Miss M Bridge
Maths Co-ordinator
