Dear Parents/Carers

Re: Year 5 and 6 Sex and Relationships Education

Thank you to those parents who came to the meeting this week. It was clear from the discussions that some parents had concerns about the age appropriateness of some of the material. To this end I would like to invite you to view the full videos for the 9 – 11 year old age range. Hopefully this will answer some of the questions you have and ease any concerns.

The viewing will take place on Monday 13th June at 11.30am in the upper hall. All three videos in this age range will be shown, lasting approximately 45 mins in total. Please indicate on the slip below if you will be attending.
