September 2011

Dear Parents / Carers

We need to update our medical records for this school year. So as to make the teachers aware if your child has a particular medical condition, allergy, is hard of hearing, has started wearing glasses, left handed, etc, please could you fill in the tick boxes below and return the slip to school **by Friday, 9<sup>th</sup> September, at the latest.**

If your child has asthma or a serious allergy diagnosed, it is very important that we have an inhaler or epipen (as required) that can be kept in school.

These records will be kept confidential.
