

FAIRLANDS PRIMARY SCHOOL & NURSERY

Pound Avenue
Stevenage
Hertfordshire
SG1 3JA

17 October 2011

Dear Parents/Carers

Starting after half term, your child will have a mentor. Your child will meet with their mentor once every two weeks initially, increasing to once a week as we approach SATS.

The mentor will talk to your child about how they are feeling, any concerns or successes they have had with their learning or anything they think may help them with their learning.

With input from the class teacher, the mentors may set personal targets that they monitor at each meeting. The aim is to ensure that the Year 6 pupils are given every opportunity to succeed in the run up to SATS, but that they do not feel unduly pressured.

Child's Name.....Tutor.....

The mentors may make arrangements with you to see your child before or after school if they are not able to fit it in during normal school hours.

Miss M Bridge & Mr J Dickinson
Assistant Headteacher/Year 6 Teacher
